How-to set up your company's Exhibitor Listing

How-to create your listing - as easy as 1-2-3-4!

1. Enter your company info online at:
<http://minneapolishomeandremodelingshow.com/add-exhibitor-login>
2. Log in with the username: **MHRSEFebruary** and password: **MHRSEFebEX8**
Please note that the password is case sensitive. Contact your show manager if you want to fax/email your information.
3. We will create your company profile and set up your Request Information form.
4. We will update and maintain your page as required so you can promote product launches, store sales, events and more through your company page!

Tips to get the most out of your listing

- Enter a full description of your company. The more information you provide the better, as it will help people find you using the search tool.
- Use as many keywords as possible. The keywords will help you appear in the search results. If you sell different types of products, be sure to list them all.
- Select the category that best represents your company. Your company will be listed under this heading.
- Include your booth number. Make sure customers can find your company on the show floor.
- Offer a show special or discount. Use a promo code or offer a percentage off to people who mention your listing, this way you can track the results.
- Follow up with email requests. Be sure and reply to any quote requests you receive - try and make appointments with customers during the show.

The screenshot shows the website's exhibitor listing page. At the top, there's a navigation bar with the show's logo and dates (February 16-18, 2018). Below the navigation, there's a large image of a fire pit with a waterfall. The main content area is titled "EXHIBITOR LISTINGS" and contains a form for adding a listing. The form includes fields for Company Name, Address 1, Address 2, City, State/Province, Zip/Postal Code, Phone Number, Booth #, Website, Facebook page, and Twitter page. There are also sections for "RECEIVE A BOOTH QUOTE" and "SEARCH THE EXHIBITOR LIST".
